Dear Football Parents/Guardians:

We are pleased to invite all parents/guardians of the players to become members of the Downingtown East High School Football Booster Club ("DEFA").

Your membership fee of \$30.00 (\$60.00 per couple) entitles you to, among other things, one season pass per member to our regular season home games. In addition, you will have the satisfaction of knowing that your membership is helping to support our team. For your convenience, DEFA is also offering season passes to high school or younger students for \$12.00 each. Your season passes will be available at the ticket gate before our first regular season home game.

To become a DEFA member or to purchase season passes, please complete the enclosed form along with the appropriate amount to the address noted or simply give it to me at the picnic.

Should you have any questions regarding the membership drive, please call me at (610) 873-0279 or email kf.ducharme@verizon.net.

Thank you for supporting our team!

Sincerely,

Kathy Ducharme
